**DONATION RECEIPT: No 966**

On behalf of the OP Nayar Memorial Trust, I extend my thanks for your generous donation of IRs 30,000 (**Indian Rupees Thirty Thousnad only**), which has been specially timely, as we navigate through some difficult times with the growing list beneficiaries to support.

We truly appreciate your continued support and commitment, which enables us to provide a lifeline to aging and marginalized performing artistes of South Asia, who have enriched our lives, even well after their prime, many of them musicians and even chorus singers.

The Trust has been keeping its torch alight for almost 15 years, and we ask you to please keep us on your radar. The pandemic has hit us hard and we have sadly lost many beneficiaries over the last three years, unable to navigate with low donations. Your support will go a long way.

In gratitude,

Madhuri J. Shah
